

# TEXAS SUPPLEMENTAL GRAIN SORGHUM TESTS - 2006

## TEXAS AGRICULTURAL EXPERIMENT STATION

### Official Entry Form

Company: \_\_\_\_\_

Person to Contact: \_\_\_\_\_ Telephone: \_\_\_\_\_

Address: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Below is general information regarding participation into the grain sorghum supplemental tests:

-- **PLEASE READ MEMORANDUM TO GET DETAILED INFORMATION ON THIS TEST.**

-- **Unlike the performance test, we realize you may have limited amounts of a particular entry; therefore seed DOES NOT have to be treated with a seed insecticide. We will use a soil insecticide at planting instead. This will be done for supplemental tests only.**

-- Entries into the grain sorghum supplemental tests may be made into any location where a performance test is located.

-- **PLEASE NOTE THE ENTRY FEE INCREASE FOR 2006. Entry fee structure is as follows:**

**3 reps – 2 row plots = \$55/entry**

**2 reps – 2 row plots = \$45/entry**

**1 rep – 2 row plots = \$35/entry**

-- **A minimum of 20 entries per company per test location is required. Please contact me if you have questions about the minimum requirements. We can often accommodate you with fewer entries if the test design allows.**

-- Test will be planted adjacent to or behind the performance test.

-- Please send 1 pound of seed per entry per test location.

-- We will plant, take flowering notes, and harvest test. If you desire any other notes in place of flowering notes, please let me know. **AFTER HARVEST, DATA WILL BE SENT TO YOU VIA EMAIL. DATA IS TO BE USED FOR “IN-HOUSE” PURPOSES ONLY AND NOT TO BE PUBLISHED.**

-- Please make sure packages are securely wrapped and labeled.

-- Seed and entry forms are due at College Station **no later than January 31, 2006.**

-- If you cannot meet the deadline, please contact us. We can usually include your hybrid(s) before final planting arrangements are made.

Send seed,  
entry forms,  
and checks to:
