Below is general information regarding participation in the Texas High Plains Grain Sorghum Performance Tests:

- Entry fee is \$165/entry/location
- Please print or type hybrid(s) as you want them to appear in final print.
- There is no limit on number of entries.
- Please denote experimental entries by placing an (X) after hybrid designation.
- If you are entering a hybrid that had an experimental designation last year, please list experimental number after named hybrid.
- **This year we are requesting seed to be treated with a seed insecticide such as Gaucho or Cruiser. Please label the type of seed insecticide used. No soil insecticide will be applied at planting. If your seed is not treated, it will be planted accordingly.**
- Indicate maturity by using the following letters: E (early), ME (medium early), M (medium), ML (medium late), L (late).
- Please indicate **grain color** in the appropriate column by using the following letters:
 Y=Yellow; Bz=Bronze; R=Red; Rt=Red translucent; W=White; Wt=White translucent; Ct=Cream translucent.
- Please indicate **plant color** by the following designations:
 P=Purple; R=Red; T=Tan
- Two pounds of seed are desired if a hybrid is to be planted at all locations; 1/2 pound if planted at one location.
- Please make sure packages are securely wrapped and labeled.
- **Note entry form and seed due date listed below.**
- If you cannot meet the deadline, please contact us. We may be able to include your hybrid(s) before final planting arrangements are made.
